### Annual Cyclocross event scheduled for this weekend

**MONROE-WEST MONROE, LA-** The Delta States Grand Prix of Cyclocross is scheduled for this weekend in Monroe at the Forsythe Point Recreation Area just over the levee.

“Cyclocross is a fun and spectator-friendly type of racing” Race director Wes McWhorter said. “Often called referred to as a ‘big party with a bike race in the middle’ by fans and supporters.”

The Monroe race is one in a regional series with races scheduled across Louisiana and Mississippi. In cyclocross races, the course features various landscapes of pavement, grass, wooded areas, and areas where riders are required to carry their bicycles. The format consists of many laps short laps. So as opposed to distance races, spectators are able to view much of the race from one area.

The race is scheduled in Monroe on November 14 and 15 from 10:00 am to 3:00 pm each day. Admission to spectators is free.
