Wakeboard Competition to take place at ULM

Monroe, LA— The USA Wakeboard Southcentral College Regionals will take place this Saturday, April 23rd, starting at 9:30a.m. Eight wakeboarding teams from Louisiana, Mississippi, Texas, and Oklahoma will head to ULM's Bayou Desiard to compete for a chance to go to USA Wakeboard Collegiate Nationals. This event features riders from LSU, Oklahoma State, Texas Tech, Ole Miss, and Mississippi State.

"It's like snowboarding, but on water. The tricks are much higher and bigger than any you see in waterskiing," said Nick McDonald, event organizer.

The competition is open to all college wakeboarding athletes to ride, and it is the fourth event of this tour, which takes place over the academic year. It is not funded by schools. The ULM Waterski team will be competing.

The public is invited to attend. Admission is free, but spectators are encouraged to bring lawn chairs for seating. This event promises fun for the whole family with extreme action stunts and water sports. A lunch break will take place at 12:30, and there will be burgers, chips, and drinks available for purchase.

For Media Use: Nick McDonald will be on site Saturday. Contact him ahead of time for the opportunity to ride the boat for photography or video purposes.
